Subject: Note to follow up [Hurricane Harvey]
Date: Monday, September 18, 2017 11:24:11 AM

Hi Paula, Carol and I had a note to follow up with the Lopezes regarding a colonia community meeting on 9/21/17 that they suggested EPA might attend. We did not get further details beyond that but let them know we would relay to you and we'd see about follow up. Any questions, let us know.
